Dear Mr. Segesta,

I have segregated from WHITEWASH III, which was getting too long because of my continued and I believe fruitful researches (which have delayed it) what relates to what is now coming out of New Orleans and am rushing a separate book on it.

This makes me even more pressed for time. So, for the moment, all I can do is tell you how much I appreciate what they have done. I'll be in touch when I have a few minutes.

If you recall my books, especially chapter 11 or the first and 7 of the second, you will know that what is now coming out flows from this. If it is done well and thoroughly, as I hope it will be, it can be a major development of first magnitude in the capture of truth and justice.

Again, my thanks.

Sincerely,
